| | 4th installment | First day of term 3 | | | |

TERMS & CONDITIONS

Enrollment at Safari International School is permanent and continues automatically into each new academic year unless a formal written withdrawal notice is submitted by the first day of the 3rd term of each academic year. Failure to submit a withdrawal notice by the first day of the 3rd term will result in the family being liable for the full tuition and fees for that academic year. Late payment will attract a penalty of USD 100 per month. All fees paid are strictly non-refundable and non-transferable. Parents may choose to pay tuition annually or in installments. Choosing payment in installments does not change the annual enrollment commitment. The school reserves the right to adjust prices for programs and services with one month's notice. Fees may be paid in USD or GHS, using the school's fixed monthly exchange rate, available at the reception desk before the start of each month. Early payment in USD is encouraged to protect against exchange rate fluctuations.

For more detailed terms and conditions please check your offer letter or visit our website www.safarischool.edu.gh.
